Tuesday, December 22, 2022
(Immediately following Regular Council Meeting held at 5 p.m.)
Council Chambers – Denison, Iowa

Mayor Soseman called the planning session to order with the following members present: Curnyn, Garcia, Granzen, Logan, and Miller.

FEE SCHEDULE INCREASE	Hanson stated that he recommends reviewing the City’s fee schedule. He and staff will review the schedule and bring recommendations back to Council.
UTILITY REPAIR AND ROAD REPLACEMENT REQUIREMENTS	Hanson suggests creating requirements for replacing pavement when property owners cut into a City street. Council would like Hanson to create a policy.
CITY HALL REMODEL	Hanson would like to create a barrier between staff and the public. This would be eligible for American Rescue Plan Act funds. Council does not want to proceed at this time.
WELLNESS CENTER UPDATE	Garcia stated the Wellness Center Committee would like the Aquatic Center invoices to be separate from the Wellness Center invoices. Garcia stated the Committee is not submitting the IEDA grant as they did not receive the HGM costs in a timely manner. Garcia is working with HGM to create a fundraiser booklet.
AMERICAN RESCUE PLAN ACT (ARPA) FUNDS	There were no updates on the ARPA funds.

There being no other business, the meeting adjourned at 7:01 p.m.
